

Plans to accompany an application for a family entertainment centre must show -

- a) the extent of the boundary or perimeter of the premises;
- b) where the premises include, or consist of, one or more buildings, the location of any external or internal walls of each such building;
- c) where the premises form part of a building, the location of any external or internal walls of the building which are included in the premises;
- d) where the premises are a vessel or a part of a vessel, the location of any part of the sides of the vessel, and of any internal walls of the vessel, which are included in the premises;
- e) the location of each point of entry to and exit from the premises, including in each case a description of the place from which entry is made or to which the exit leads; and
- f) where the application is for a family entertainment premises licence, the plan must show –
 - i) the location and extent of any part of the premises in which Category C gaming machines will be made available for use in reliance on the licence;
 - ii) the location and extent of any part of the premises in which Category D gaming machines will be made available for use in reliance on the licence; and
 - iii) the nature and location of any barrier or other thing separating any part of the premises in which Category C gaming machines will be made available for use from any other part of the premises.

N.B. The plans submitted with your application will form part of your Licence, if granted.
