TIME SENSITIVE DOCUMENT – REPLY REQUIRED

Our reference: - 26478161MR

Dear Sir or Madam,

REMOVAL OF PUBLIC PAYPHONE: 01457 852188

I am writing to advise you that the kiosk at High Street East opposite Manor Park Road, Glossop, SK13 8QF has recently been involved in an incident, which damaged the kiosk beyond economical repair, I will shortly be arranging for the burnt out kiosk to be recovered. As a result we have completed an assessment of the area and the need for a payphone at this location. During our assessment we discovered that the payphone has received very low or no use during the past twelve months. Due to the high costs to repair or replace the kiosk we are proposing to recover it and permanently cease service at this site.

Our obligation to provide a Universal Service will be maintained, as there are other kiosks within the vicinity. The nearest alternative kiosk is at Sheffield Road Glossop which is 530 meters away.

Before we can remove a kiosk we have an obligation to consult with relevant public bodies on the proposed removal. As part of the consultation process it is a requirement that the Council reply in writing to BT within 90-days giving their comments or any objections received from the local community. Further information on the consultation process can be found at: http://www.ofcom.org.uk/consult/condocs/uso/uso_statement/removals.pdf

If you do not reply, it will be taken that the council and interested parties have no objection to the permanent removal of this payphone.

A notice of our proposal is being displayed in the kiosk and a copy is enclosed with this letter for your information.

If you require any further information or have any queries please do not hesitate to contact me via our customer service team on 0800 66 16 10 option 2 or via email at customer.serv.payphones@bt.com

Yours faithfully
