## Discretionary Housing Payments

### *What are Discretionary Housing Payments?*

We can make Discretionary Housing Payments if we decide someone needs extra help with housing costs.

The payments are on top of any Housing Benefit and Council Tax Benefit that has been awarded. We only have a certain amount of money to spend on these payments, so the application form in this booklet will help us to decide if a Discretionary Housing Payment can be made to you.

### *What are housing costs?*

'Housing costs' means the amount you have to pay for your rent and Council Tax. But a number of items can't be counted.

These include:

- parts of rent that are not covered by Benefit, for example, charges for fuel, hot water or meals
- charges for water and sewerage
- increases in rent due to you paying back rent arrears on top of your normal rent
- benefit that has been suspended because you have not supplied information needed to support your claim
- any reduction in benefit because you did not go to a work-related interview
- any reduction or loss of benefit due to Jobseeker's Allowance employment sanction
- any reduction in benefit due to a Reduced Benefit Direction or because you have not co-operated with the Child Support Agency in arranging maintenance.

We cannot make a Discretionary Payment to meet any shortfall between Second Adult Rebate and your Council Tax liability.

## ***Who can apply for a Discretionary Housing Payment?***

To be eligible for a payment, you must be receiving Housing Benefit or Council Tax Benefit, or both. You also have to prove that you need more help with your housing costs. You cannot apply if you do not receive Housing Benefit or Council Tax Benefit.

If you are getting Housing Benefit but do not get Council Tax Benefit you will not be able to get help with your Council Tax.

If you are getting Council Tax Benefit but do not get Housing Benefit you will not be able to get help with your rent costs. You will not be able to get a Discretionary Housing Payment if you are already getting full benefit.

## ***How can I apply for a Discretionary Housing Payment?***

Fill in the form inside this booklet and send it to us straight away. You will need to enclose proof of the money you have coming in and going out.

We only have a limited amount of money for Discretionary Housing Payments, so not all applications will be successful.

If the application is filled in by someone acting on your behalf, please make this clear on the form.

## ***How will it be paid?***

Payment will be made along with your Housing Benefit or Council Tax Benefit. It will normally start from the Monday following the day we receive your application. Discretionary Housing Payments are paid for at least 1 week.

## *What do I do if my circumstances change?*

You must tell us as soon as possible if your circumstances change. We may need to change an award of Discretionary Housing Payment if your circumstances have changed. If the change means that you have received money you are not entitled to you may be asked to pay it back.

Examples of changes in income and family circumstances are:

- when Income Support or Jobseeker's Allowance stops or starts
- change of address
- changes in income or savings
- when someone moves in or out of your home.

This list cannot cover everything. If you don't know if a change in your circumstances will alter your Discretionary Housing Payment, tell us anyway.

## *What do I do if I do not agree with your decision?*

Discretionary Housing Payments are not part of the Housing Benefit and Council Tax Benefit scheme. Therefore you have no legal right to appeal.

However, if you disagree with the decision you can write and ask us to look at your application again. You must contact us within one month of the date on the decision letter, giving the reasons why you disagree. You can phone, write or visit us and ask us to explain the decision. You can also ask us for a written statement of reasons, which will show more information about the decision.

The Benefits Manager will deal with these requests.
