

Local Housing Allowance – Reasons for making payment to Landlord

working for our community

Local Housing Allowance is usually paid direct to the claimant. There may however be occasions where the claimant is unable manage their payments and in exceptional circumstances we can make payment to the Landlord.

Payments cannot be paid to the Landlord if you do not have a bank account.

Payments will only be paid to your Landlord if it is considered to be highly likely that you will not be able to pay your rent. You will need evidence from a Support Worker or Doctor to support this.

Please attach any supporting evidence to this form

Please explain why you are unable to pay your rent and why you want us to pay it directly to your Landlord

The information I have given on this form is true and I understand that I must inform the Benefit Office if any of this information changes.
