SK13 6HQ (Tuesdays)

'FOOTYTOTZ™' is a unique programme specially developed for boys and girls aged 2 and over, aiming to teach pre-school children the importance of physical activity, whilst becoming confident with a ball at their feet. Built into the programme are strong elements of colour identification, numeracy and social development. Children learn basic movement patterns, and by using specially selected equipment, will improve their co-ordination, agility & balance skills and learn to use the six elements of both feet

'FOOTYTOTZ™' offers local toddlers great fun, the genuine basics in football and an activity that will enhance their learning and social skills
