

Buxton Area Forum

A community forum on issues important to you!

How will Buxton look in the future?

Plus consultation on your local library

Buxton has a unique character but is under pressure for development. Workshops attended by over 170 people have been looking at how Buxton should respond to this and how it should present itself to visitors.

This session will feed back on the Buxton Design & Place Making Strategy - what has been completed so far and what happens next.

Thursday 19th March 2009

6pm - 8pm (refreshments from 5.30pm)

Paxton Suite, Pavilion Gardens, Buxton

If you would like to submit a question, require transport, or have any other special requirements please contact
