## 'DRUGS' - THE FACTS

There are many myths and perceptions about drug use. This event will provide help and support for people affected by drugs misuse, outline the action being taken to fight drugs, and alert residents to the signs of drug taking so they can call the police when they suspect someone is taking or dealing drugs.

There will be opportunity to talk one to one with support agencies, the police and councillors from 6.30pm to 7.00pm and at the close.
