

Glossop Primary Care Centre

- A LIFT Project
- A chance to create new ways of providing health care
- A facility for local people
- Based in the heart of the community

Background

- Lift is a 25 year partnership
- Plans to develop 3 centres in the first wave
- Ashton about to go
- Glossop next

The Process

- Identifying needs of the population
- Stakeholders meetings
- Site decisions
- Cluster group meetings
- Tenants requirements
- Tendering
- Choosing a developer

Services Revisited

- Cluster groups meet again
- Refine tenants requirements
- Chosen developer works up plans

Design group

- Interested parties
- How they want the building to flow
- Essentials

Any questions
