

High Peak Borough Council Waste Strategy

High Peak Borough Council

Working for our community

Why change the existing system?

- Environmental Concerns
 - Finite Resources
 - Global Warming
- Restricted Landfill Capacity
- Government Targets

High Peak Borough Council

Working for our community

Derbyshire Composting Project

- Partnership - Derbyshire County Council, Chesterfield, Bolsover, North East Derbyshire and High Peak Councils
- Defra funding £2.5 million

High Peak Borough Council

Working for our community

The proposed scheme in High Peak

- Week 1 – Collection of organic garden, kitchen waste and cardboard (Green-lidded Bin)
- Week 2 – Residual waste (Black Bin)
- Existing collection of green kerbside recycling box will continue

High Peak Borough Council

Working for our community

Core Issues – Pre Launch

- Promotional activities
- Full council support
- Bio sacks and alternatives for residents
- Call centre staffing
- Liners
- Enforcement policy in place

High Peak Borough Council

Working for our community

Core Issues – Post Launch

- Side waste enforcement
- Compliance and contamination
- Assisted collections
- Call Centre
- Seasonality

High Peak Borough Council
