

Social Activities

The residents of Dove Holes enjoy attending social activities within the village. Many activities are already held and these include:

- Youth club weekly throughout the winter
- Live entertainment on an occasional basis
- Whist at the Over 60s Club
- Ballroom, Line and Disco dancing
- Bingo
- Family entertainment, eg Karaoke
- Art Club
- Yoga

There is also a large community Bonfire held on 5th November every year. This has been held for many years and was originally started by the Football Club in response to concerns about the safety of people at small, private bonfires with fireworks. The Community Association have since taken on the activity and it is extremely well attended by people from the village and surrounding areas.

However, people still wanted to see other social activities. The most popular suggestions were:

1. Brownies
2. Cubs
3. Scouts
4. Junior/youth discos
5. Dances
6. Over 16s disco
7. An improved youth club
8. Live entertainment
9. Activities for older children and teenagers
10. Whist drive
11. Family entertainment/disco
12. Guides

Many people wanted village sports activities that everyone could take

part in. Village sheep roasts was a popular suggestion, as was having a carnival or May Day parade. People valued the sense of community within the village and wanted more events where people could come together. However, there were also comments that the current events could be better attended. People were also asked if they would be willing to help organise some activities and, encouragingly, several people put their names forward.

Action Points

- Organise more village social events for all age groups
- Encourage more people to attend events
