Calling all budding entrepreneurs!

Can you answer yes to the following?

- Are you an undergraduate, a recent graduate or an academic looking at starting a business in the East Midlands?
- Have you got an idea for a business but are not sure what to do next?
- Have you ever thought about starting your own business?
- Would you like a business support package of over £5000 to help you get started?

#### What is Enterprise Inc?

Enterprise Inc is aimed at improving the enterprise skills and entrepreneurship capability of 500 students and graduates across the East Midlands.

#### Support Package Available

If you are on a full or part time course at one of the universities in the East Midlands, are a recent graduate or are an academic looking at starting a business, you can apply for a place on the Enterprise Inc programme.

If successful you will benefit from a cash bursary of £2400, along with £3000 worth of generic and tailored business support from your university to help your business succeed.

#### Apply now!

If you have a potentially viable business idea and the entrepreneurial drive to convert that idea into a real business venture, then this project is for you.
