REGULATIONS 2012**

**HIGH PEAK BOROUGH COUNCIL Tree Preservation (Woodland to the West of Ford
Hall Brook, Wash, Chapel-En-Le Frith) Order 2026 No HPBC334**

THIS IS A FORMAL NOTICE to let you know that on 15th of June 2026 we made the above tree preservation order. A copy of the order is enclosed. In simple terms, no one is allowed to cut down, top or lop without our permission any of the trees described in the 1st Schedule of the order and shown on the map.

We have made the order because:

- i. It is expedient in the interests of amenity and the landscape character of the area;
- ii. The historical context of the woodland within Wash with the woodland having been present at it's current extent for c 150 years (minimum).
- iii. To ensure that the woodland is fully considered in any forthcoming planning process.
- iiii. To secure the woodland's contribution to the Wash conservation area.

The order came into force, on a temporary basis, on 15th of June 2026, and will remain in force for six months. During this time we will decide whether the order should be given permanent status.

People affected by the order have a right to object or make comments on any of the trees or woodlands covered before we decide whether the order should be made permanent.

If you would like to make any objections or comments, please make sure we receive them in writing by the 24th of July 2026. Your comments must meet regulation 6 of the Town and Country Planning (Tree Preservation)(England) Regulations 2012 (a copy follows). Please send your comments to the Legal Section at the address below. We will carefully consider all objections and comments before deciding whether to make the order permanent.

We will write to you again when we have made our decision. In the meantime, if you would like any more information or have any questions about this letter, please contact Gareth Hare, Arboricultural Officer at trees@highpeak.gov.uk.
