Dear Madam

Application for Designation of a Neighbourhood Plan

Whaley Bridge Town Council wishes to apply to High Peak Borough Council for designation to produce a Neighbourhood Plan for this Parish. As a very small part of our Parish is in the Peak district National Park, we have also informed PDNPA of our decision.

The area is covered by the map attached to your email and will be the area to which our application will apply. This area is the whole of the Parish of Whaley Bridge and Furness Vale, also covering Taxal and the small area to the south which is within the Peak Park boundary. The boundary of this Parish will form the boundary of our application area for the Neighbourhood Plan.

The council states that this area is appropriate as it covers the whole area for which this council is responsible covering the four wards of Taxal, Yeadsley, Fernilee and Furness Vale.

As the relevant body responsible for managing this Parish, the Town Council is the relevant body to make this application.

I trust the above is acceptable but please do contact me if you require any further specific information.

Yours sincerely

Stephanie Raybould
