Discount for Persons aged 18 or 19 Years

The full Council Tax bill assumes that there are 2 adults living in a property. However, for Council Tax purposes, certain people will not be counted when looking at the number of adults. This may mean that the bill is reduced by 25%.

Below are answers to some questions about who should be discounted, under this category.

1. I have a son or daughter aged 18 years. Is he/she discounted?

If you receive Child Benefit for him/her then he/she will be discounted.

2. For how long will my son/daughter be discounted?

If they leave school or college between 1st May and 31st October, they will continue to be discounted until 1st November.

3. How do I apply?

Complete all parts of the form overleaf and return it, without delay, to the address shown. Once it has been assessed you will be notified of the Council's decision.
