

Council – Notice of Motion – 30 November 2017

The Council notes that:

- the outcome of the CCG consultation and decisions about the future of intermediate care in Tameside and Glossop will not be made until December 2017
- on 14 September 2017, the full Council overwhelmingly agreed to endorse its current arrangements for responding to such consultations as appropriate, evidence-based, reasoned, comprehensive and robust
- on 12 October 2017, the Executive agreed that its support for the concerns and recommendations from the Community Select Committee and its support for Option 1 in the consultation be sent as the Council's response to the consultation at that stage
- a powerful and persuasive case for an 'Option 4' proposal and actions for specific intermediate care arrangements in Glossop has recently been put forward by former Glossop GP, Sir John Oldham, a copy of whose Glossop Chronicle article of 9 November 2017 is attached as an annex to this amendment.

The Council resolves immediately to inform the CCG of its intentions:

- to engage constructively with them in relation to their proposals for Glossop residents after their December meeting, in particular
- to mandate Group Leaders to liaise and make every effort to establish a consensus to best represent our residents affected by the consultation including arranging any necessary meeting(s), whether these be with the public, CCG, Council or by request to Community Select.
- to give immediate and urgent consideration to and identify any necessary actions, including consideration of judicial review, relating to the legal and practical issues arising from the decisions as they affect the intermediate care available to Glossop residents in future
- to involve relevant stakeholders, in particular Derbyshire County Council, so as to secure the best possible overall intermediate care outcomes for Glossop residents.
