

## Recycle to Win! Terms and Conditions

1. Recycle to win is open to anyone over the age of 18 living in the areas participating in High Peak's food recycling trial, except for the council's Waste Management Team, the Chief Executive, Directors, Councillors, and any other council staff directly involved in the running of the competition.
2. Properties will be selected randomly from collection schedule lists by street name and house number.
3. There will be one £25 prize every day for the two week collection cycle, with a total of 10 £25 prizes being won across the trial areas.
4. The prize will be made in the form of a £25 Love to Shop gift voucher. No alternatives will be offered.
5. One address will be chosen from each collection round in the trial area for two weeks commencing Monday 1 April 2019.
6. High Peak Borough Council reserves the right to end the Recycle to Win scheme at any time.
7. Upon arrival at the chosen address on the morning of the collection a representative from High Peak Borough Council will check to see if the chosen property has presented food waste in the correct manner to be recycled in the green lidded bin. The bin will be visually inspected to make sure there are no unacceptable items (e.g. plastic) in the bin.
8. If the representative from High Peak Borough Council is not able to identify a bin to the relevant property they will assume the property is not recycling.
9. If the chosen property is not recycling or has not correctly presented food waste on the relevant day, another property will be chosen and the process will start again.
10. To claim a prize the winner will be requested to sign a receipt for the voucher and a copy of these terms and conditions. They must agree to participate in relevant publicity including having their photograph taken for use on social media. No address detail will be divulged in any promotion.
11. High Peak Borough Council will hold the copyright to any images taken as a result of any publicity and may reproduce them to promote its services.
