

## **Schedule of key changes to the Local Development Scheme**

The list below identifies key differences between the Local Development Scheme (LDS) introduced in September 2022 and the previous version from 2014.

### New documents listed in the 2022 LDS

- Neighbourhood plans
- Infrastructure Funding Statement
- Scheduled update to the Statement of Community Involvement (SCI)
- Scheduled update to the Developer Contributions Supplementary Planning Document (SPD)

### Documents that appeared in the 2014 LDS that have now been removed

- Schedule of previously adopted documents and “saved policies” from the 2005 Local Plan. Saved policies from this plan were superseded by the Local Plan adopted in 2016.

### Updated documents in 2022 LDS

- New timetable for the preparation of an updated High Peak Local Plan and Policies Map
- Updated schedule of evidence base reports to support the updated Local Plan.
- Clarification of details regarding the Annual Monitoring Report, including scheduled publication timeframes.
