Explanatory Note

A Section 55 Parking Account must be produced each year and must include:

- Income from On Street charges and On Street Parking Fines and Off Street Parking Fine
- Expenditure On the provision and maintenance of designated Parking places and enforcement activities.

If a Surplus is recorded on the Parking Account, a breakdown of how that surplus has been spent should be provided.

Income from decriminalised parking (On Street) enforcement is known as Section 55 income and must be spent on transport related activities.

Income from other parking services, such as off-street car parking charges, is not restricted in this way.

*Decriminalised parking (On Street) is a function of the County Council.

Off Street parking is a function of the Borough and the surplus reported above contributed to the running costs of all the Council's activities in 19/20
