The term "resident" means, for interments at resident's charges:

- residents as above;
- a person who, although living outside the borough when they died, used to be a resident in the Borough at the time when they or their direct next of kin bought the exclusive right of burial (next of kin = wife, husband, mother, father, brother, sister, son and daughter only);
- residents of the borough who moved directly from the High Peak into a nursing home, hospital or other care environment outside the borough before they died;
- a person who had moved out of the borough within the previous 2 years and was formerly a long-term resident in the borough (for a minimum of 10 years).

The Cemetery Officer will require proof of residency in such cases before the burial takes place. No right of appeal exists after the burial has taken place.
