Council tax is based on two or more adults living in a property. There is one charge for each property, whether it is owned or rented, and each property has been placed in one of eight bands by the Valuation Office Agency according to its value on the open market on 1 April 1991.

A full list of valuation bands is available at www.voa.gov.uk. If you think your band may be wrong you can appeal – there's more details on the website or you can call the Valuation Office on 03000 501501. If you do submit an appeal, you will still need to pay your council tax until a decision has been made.

Adult Social Care

The Secretary of State made an offer to adult social care authorities. ("Adult social care authorities" are local authorities which have functions under Part 1 of the Care Act 2014, namely county councils in England, district councils for an area in England for which there is no county council, London borough councils, the Common Council of the City of London and the Council of the Isles of Scilly.) The offer was the option of an adult social care authority being able to charge an additional "precept" on its council tax without holding a referendum, to assist

the authority in meeting its expenditure on adult social care from the financial year 2016-17. It was originally made in respect of the financial years up to and including 2019-20. If the Secretary of State chooses to renew this offer in respect of a particular financial year, this is subject to the approval of the House of Commons.

The Council will consider applications for local discretionary discounts based on individual circumstances.

If a reduction is granted, your bill will be based on the valuation band below your property.

Exempt Properties

Council tax is not charged for some properties including those where:

- All residents are students
- They are used for armed forces accommodation
- They are lived in by members of visiting forces
- All residents are under the age of 18
- All residents are severely mentally impaired
- At least one person is a foreign diplomat
- It is an annexe occupied by a dependant relative

If part of your home is self contained (a 'granny flat' or annexe) and lived in by a relative, your bill will be reduced by 50%. This is on top of any other discount you or your relative may be entitled to, so for example, if your adult son is living in the annexe on his own he will be liable for council tax and will be entitled to a 25% single person discount as well as the 50% annexe discount.
